The Arkashic Records are—
Arkashic Records
Solving Life's Mysteries
From the Archaezoic Era* till the present, everything about humankind and the universe has been recorded
It's like an invisible library!
T/N 2,500 MILLION YEARS AGO
Ah... it's Kitano's extensive knowledge on Occult again.

Blah Blah
So it's like that?
Then, in other words,
I think the door to my wisdom is somehow connected to everyone else's.
So, we can share each other's knowledge like that, and then let the Akashic Records show us a way to break the seal. It's as simple as that, right?
incessantly
talking non stop
Kitano... We don't know what you're talking about
Thud
So basically,
A PC terminal is like a database to humans; similar to that of the Akashic Records
It's similar to using a computer and looking for the answer, right?
That's right! That's exactly what I mean!!!
Ah! I finally get it!
It was like that all along

This concept has been known throughout the world and it was thanks to Edgar Cayce*...
Ah!
Do you guys know Edgar Cayce? His real ability is known in the field of medicine...
Ah— Kitano!!!
NO NEED TO EXPLAIN ANY MORE ABOUT THIS EDGAR GUY! ANYWAY WHATEVER WE NEED TO DO JUST USE SIMPLE WORDS AND EXPLAIN IT!

*T/N: EDGAR CAYCE WAS AN AMERICAN MYSTIC WHO ALLEGEDLY POSSESSED THE ABILITY TO ANSWER QUESTIONS ON SUBJECTS AS VARIED AS HEALING, REINCARNATION, WARS, ATLANTIS AND FUTURE EVENTS WHILE IN A TRANCE.

Then let's get started quickly in order to break Sui's seal!
In order to break the seal...
clench...
This is also my first time ever trying this, but it says in here that anybody can do it, so it shouldn't be a problem!
Leave it to me!
!?
Your first time?!
What?
That
Sou, Sou! Wait a minute, I want to try it!
Sui?
This is too suspicious
ARE YOU KIDDING ME?! LETTING AN AMATEUR DO SOMETHING SO DANGEROUS HOW CAN WE LET YOU TRY IT ON SUI?
が
ばっ
ガタッ

You'll never know, maybe something could happen and everything could work out better than planned.
As long as there's a viable method, I'm willing to try it.
Sui...
But..
I do feel a bit uneasy, so could Sou hold my hand...
would that be okay?
What's up with looking at me with the defenseless, puppy dog eyes?
Silly you! You didn't even need to ask, of course I'll do it!
I'll hold both your hands!!!
There's no need for both hands.
AH-...
KITANO, I'M GETTING TIRED OF THIS ALREADY, HURRY UP AND START!
I already told the two of you not to do this in front of me.
Roger!

Relax, close your eyes...
slowly take deep breaths. breathe in from your nose, and breathe out from your mouth...
breathe in... breathe out...
inhale... exhale... inhale... exhale...
Continue to relax like this and keep breathing in and out...
And then imagine an underground path at your feet.
It's fine to imagine a hole and steps
Sui is slowly walking towards a dark basement.
When you've reached the bottom of the basement, you can see the entrance.
You can see the light coming out from it.
In front of you now, you'll see a door.
The door that will lead to deciphering the Arkashic Records.
ギィ
Please open the door and enter.

In the room, there is a vast collection of books, one of those books contains information on Sui's "power"...
Please grab a hold of that book.
Ah...
The book's locked...
Huh? It really worked!

Can you open it?
IF we don't have a key, there's no way to open the book.
I want to become someone who can protect Sou...
I want to open this book...
I want to open this book!
WHAT?!
I opened it...
Is this for real?!
Huh? Huh? What are we supposed to do?
He said he opened it! What are we supposed to do next?!
Hey, hey!
Ah.
Is it all right...the open it so soon?
clueless
AH!
That's right!

WHAT
You idiot...
Be quiet!
-Uh...
Since you've already unlocked it, then you should be able to use your power.
Anyway, let's try helping your friend, Kunimi, first.
Inside... Kunimi's body.
It seems like something is blocking the vessels inside his body.
My vessels are blocked?!
Then can you take care of the problem that's blocking the vessels?
If you can please try

ガ
ク!
Ah...
CHATTER
How is it?
You made it sound like my power was being blocked by a wooden cork.
.....
I think..
I'll be able to do it
The book is locked again!
blink
blink
WHAT?!

Really?
You don't feel tired or like your body is heavy?
Ng... Ng, I'm fine.
Sui, how are you?
Do you feel uncomfortable anywhere?
ぱっ
I'm sorry, I made you worry.
But I'm really fine...
So it's like that...
If it's really like that, then it should be okay...
Nope, I don't feel weird anywhere.
Hm~
So it's like that..
But after the image of the book getting locked up again showed up, I couldn't think of anything else...
Just now, I could feel the power accumulating inside my body.
Yes..
Sui, can you use your power now?

Just now, Sui should've done something to change your power, did you feel anything change?
Huh?
What about you, Kunimi?
ガラ
ニュバ
.....
ばっ
ばっ
Haha haha...
Ha...

I CAN SEE ALL OF IT! AHAHA-HAHA...
It feels great!
THERE'S A FEMALE GHOST HIDING IN THE TREE OUTSIDE!
SCARED!
THERE'S A FLOATING GHOST GOING THROUGH THE CLASSROOM IN THE CORNER OVER THERE!
SCARED!
Then... this means I can use my power, right?
Even though the seal is still in place.
Right! Although the seal is still there, this attempt still delivered good results.
Exhale

Sou!
I did it!
I really did it! I can use my power now!
Right...
That's really good, Sui...
Originally I was really worried but to think it would go this well it really makes me happy.
.....
Okay! Now that I was able to break the seal once, if I work harder, then maybe I could even break the seal for good!
Right, I can do it! I have a feeling I'll be able to do it for sure !!!

SOU!
Hey, Sui!
Doing this for a second time already shouldn't be too good for your body, right?
Concentrating so hard could possibly make you tired. . ..
Besides it won't work even if you use your powers.
Kitano, can we try it one more time?
All right.
Kitano is off in his own playing a game.
FIRE
FIRE
THREE HIT AND ONE NO HAVE
FOUR OF THEM IN ALL
THE SMART DARK TURNS AT A COMPOUND SHOT!
FIRED UP FIRE
UP
Sui...
Sui suddenly changed
DON'T STOP ME! RIGHT NOW, I FEEL LIKE I CAN DO ANYTHING!
THE NEXT TIME, I'LL BE ABLE TO PULL IT OFF FOR SURE, I'M FULL OF CONFIDENCE! LET ME DO IT!!!
No problem! Come on, let's start from the f...
Kitano, I'm counting on you!

Where did all the confidence I had just now come from...anyway?
I thought I'd be able to do it for sure.
But no matter how many times I tried, the book locks up again in an instant...
Why won't it open up completely -?
Forget it, we've already established you can open the book.
this already proves you can use your power, that's a good thing, right?
Look it worked out really well for Kunimi
I've only realized this now, but the way I've handled this is really with all brawn and no brains...
I don't know how to actually use this power, nevertheless I went ahead and tried it on someone..
I'm a horrible person...
ヘにょ...
It's not working..

LUCK? HIT-AND-MISS?
So I got my power because you guys were careless?
In Kunimi's case, it was just luck, it was purely a hit-and-miss situation and it happened to hit...
I should've waited until the seal was completely broken and then only afterwards used my power..
Suu Suu...
If I want to test it I should start small with plants or bugs..
